

POLICY · EFFECTIVE 11 OCTOBER 2026

# Open Access *Policy*

This policy applies to all journals published by GATHA COGNITION®: Remote Sensing of Land, Feminist Research, Hydrospatial Analysis and Journal of Geographical Studies. Journals we host for other institutions or societies may set their own charges, shown on the journal's home page.

## Two ways your article is published

### RECOMMENDED

#### Open Access Plus

- Free for anyone, anywhere, to read and download, for good
- One article processing charge (APC), paid only after acceptance
- Copyright stays with the author(s); CC BY-NC-ND 4.0 licence
- Crossref DOI, Cite button and "Cited by" list

### NO FEE

#### Standard publication

- The same peer review, editing and publication
- No charge to the author
- Title and abstract free for everyone; readers and libraries buy access to the full text
- The same Crossref DOI and citation tools

There is no submission fee and no fee for peer review. Choosing Open Access is entirely the author's decision and is never a condition of publication.

## Article processing charge (APC)

One price per article, whatever its length, for all our journals.

LOW-INCOME COUNTRIES

Free

- ✓ The country tier follows the **corresponding author's** institution, using the current World Bank income list.
- ✓ **Students** (as corresponding author, with proof of enrolment) get **50% off** any price above.
- ✓ Ask for a discount or waiver when you submit. Fees and waivers are handled by our office and **never affect the editorial decision** — editors and reviewers do not see them.
- ✓ Some journals hosted for institutions or societies are free for authors because the host covers the cost; this is shown on the journal's home page.
- ✓ **Institutions and funders** can prepay 10 Open Access Plus articles at 20% off (₹60,000 or US\$1,600), usable in any of our journals within two years.

## What every article receives

- ✓ Rigorous peer review and editorial checks
- ✓ Similarity (plagiarism) check before acceptance
- ✓ Copyediting, composition and author proofs
- ✓ Crossref DOI, CrossMark and ORCID
- ✓ Online-first publication with Google Scholar tags
- ✓ Cite button and "Cited by" list

## How to pay the APC

- ✓ After your article is accepted, sign in to your author account on the Manuscript Portal<sup>®</sup> and use **Pay APC** for the article.
- ✓ Pay online in Indian Rupees (cards, UPI, net banking) or in US Dollars (PayPal). Institutions paying for their authors can ask for an invoice.
- ✓ Your article is published as Open Access once the payment is confirmed.
