

User Guide for the Reviewers

Login at 'Manuscript Portal'

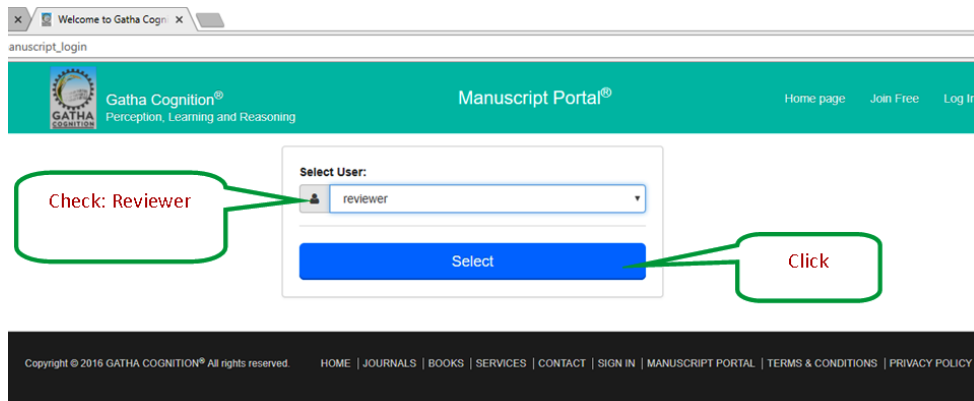

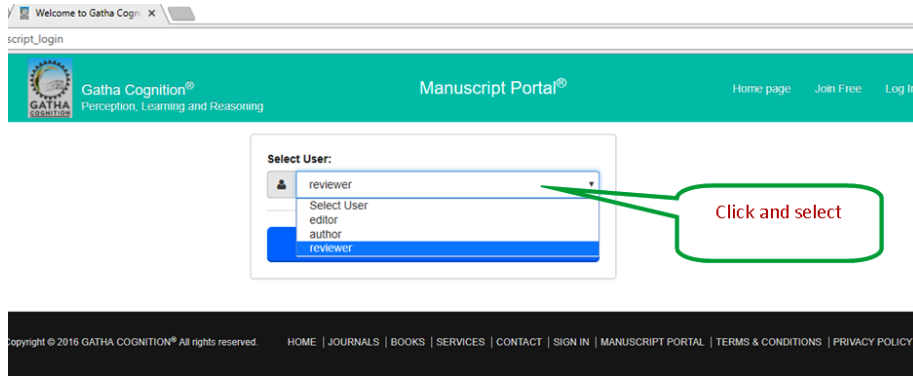

- ✓ Link: <http://www.gathacognition.com/manuscript-portal>
- ✓ Login details: Use your registered 'User ID' and 'Password' for login.
- ✓ Login details received with invite.
- ✓ Recover password using, 'Forgot Password'.
- ✓ User guide is available at the link, Editorial Management from User Guide.

The screenshot shows the Manuscript Portal login page. The page has a teal header with the Gatha Cognition logo and navigation links. The main content area is titled 'Welcome to the Manuscript Portal' and includes a sub-header 'Online manuscript submission, tracking, reviewing and editorial processes'. There are three callouts in green boxes with red text: 'Add user ID' pointing to the username input field, 'Enter Password' pointing to the password input field, and 'Click to get Password' pointing to the 'Forgot Password' link. On the right side, there is a 'User Guides' section with a 'Guide' callout pointing to the 'Editorial Management' link. Below it is a 'Functionality Checklist' section with links for Author, Reviewer, Editor, and Editorial Officer functionality.

Registration of new user

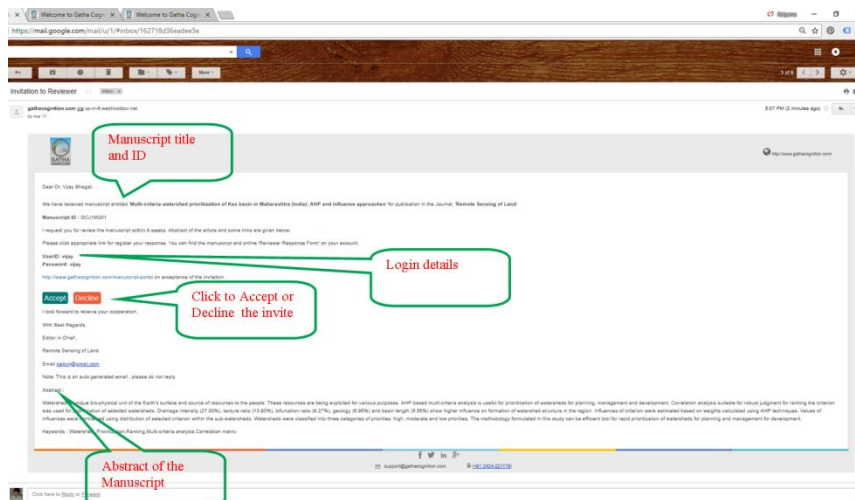

The screenshot shows the registration page for a new user. The page is titled 'Sign up' and has a teal header with the Gatha Cognition logo and navigation links. The registration form includes the following fields: 'Register As' (dropdown menu set to 'Reviewer'), 'Salutation' (dropdown menu set to 'Select salutation'), 'First Name' (text input), 'Last Name' (text input), 'Affiliation' (text input), 'Email' (text input set to 'abc@gmail.com'), 'Alternate Email' (text input), 'Username' (text input), 'Password' (text input), 'Confirm Password' (text input), 'Country' (dropdown menu set to 'Select Country'), 'Telephone' (text input with '+91' and '122-122-3313'), and 'Fax' (text input with '+91' and '122-122-3313'). A blue 'Create My Account' button is at the bottom.

- Select login option:
 - ✓ Click in the box.
 - ✓ Select option the 'Reviewer' from dropdown.
 - ✓ Click on 'select'.

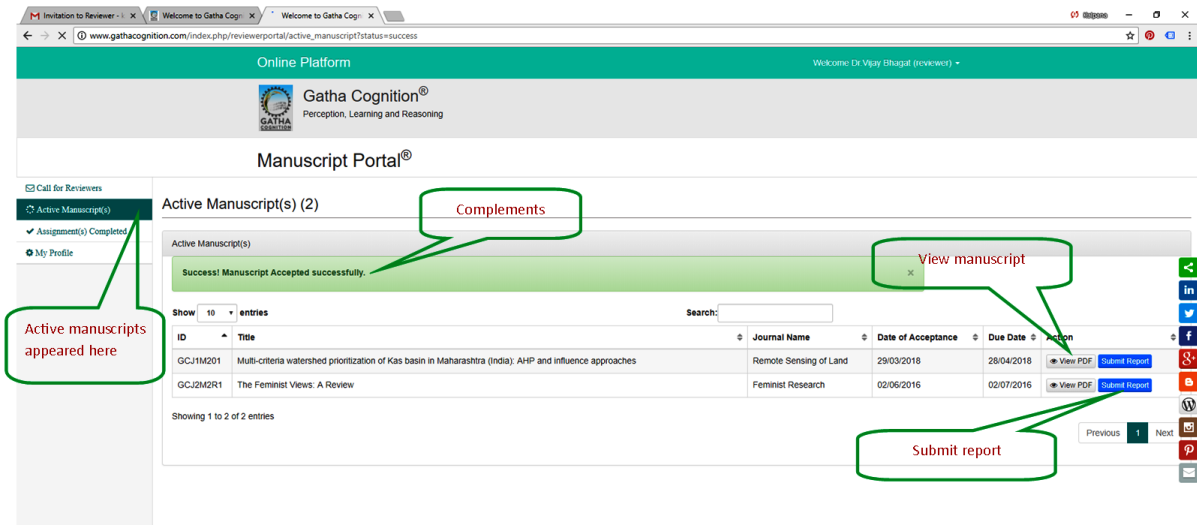

Call for Reviewer

- Invitation Email
 - ✓ Click on 'Accept' tab in invitation email.
 - ✓ 'Manuscript Portal' will be opened.
 - ✓ Use login details given with invite.

- Accept Manuscript for review
 - ✓ New manuscript(s) are appeared in the tab ‘Call for Reviewer’.
 - ✓ Click on ‘Accept’ for accepting the manuscript for Review.
 - ✓ The Editor in Chief should accept the manuscript and assign the Editor from the Editorial Board for expert assessment if required instead of declining.

Manuscript Details

Name of Journal	Remote Sensing of Land
Full Title	Multi-criteria watershed prioritization of Kas basin in Maharashtra (India): AHP and influence approaches
Article Type	Original Research Paper
Date of Submission	29/03/2018
Highlights	<ul style="list-style-type: none"> • AHP based multi-criteria analysis is useful for prioritization of watersheds. • Morphometric parameters, soil and geology were used for prioritization of watersheds. • Correlation analysis is useful for robust judgment for ranking the criterion. • Estimated influences were normalised using distribution of selected criterion. • Watersheds were classified into three categories of priorities: high, moderate and low priorities.
Key Words	Watershed ,Prioritization,Ranking,Multi-criteria analysis,Correlation matrix
Abstract	Watershed is unique bio-physical unit of the Earth's surface and source of resources to the people. These resources are being exploited for various purposes. AHP based multi-criteria analysis is useful for prioritization of watersheds for planning, management and development. Correlation analysis suitable for robust judgment for ranking the criterion was used for prioritization of selected watersheds. Drainage intensity (27.80%), texture ratio (13.80%)
